

New Adventures in 5th Grade

January 8th-11th

Itinerary

Reading: We talked about characters this week and how they develop throughout the reading. We also discussed how their actions and dialogue help us understand them better.

Writing: They found their two articles and began working on their notes/facts for their essay.

Math: We worked on multi-step problems dealing with division and multiplication this week!

Health: We talked about setting goals. We also discussed friends and feelings. They learned about peer pressure and how to deal with it.

Social Studies: They started building their own colony this week. We talked about what they need to be successful in order to survive the harsh winters.

Going somewhere...

- NO After School Jan. 17th
- Spirit Day Jan. 25th

In the Spotlight

The kids are back into full school mode working hard with learning and staying on task. They were able to get back into our routines nicely and we didn't have to review our flexible seating expectations often. They jumped right back in with little problems!
Way to go 5th Graders!!!
